

PRESS RELEASE: Free Fuel

Ventura County Star Dated: 08/26/10 - www.vcstar.com

Re: your July 22 article, "Ethanol, biodiesel fuels now available at Ventura station":

Thank you, Silvas Oil Co. for making e85 fuel available here in Ventura. I intentionally purchased a flex fuel vehicle only to discover that the only place to purchase e85 was on the military base or in Beverly Hills.

E85 is made from 85 percent corn and 15 percent petroleum. I hope that everyone with a flex-fuel vehicle takes advantage of this beautiful fueling station that parallels Highway101 (near the Boot Barn).

If we all help maybe we can stop purchasing oil from foreign soil and stop drilling in our oceans. Let's put the American farmers, mechanics, loaders, truckers, waitresses, etc., back to work.

Farmers are the heart and blood of this country for a reason. It all starts there. Let's get this great country back on track.

Janis Hendricks,

Ventura
